2. COMMUNICATION:

The attention of the applicant is drawn to the fact that as from 01 December 2002 (01.12.02), Slovenia (SI) has closed the national route via the PCT and can be designated for an EP patent only.

The purported designation of Slovenia for a national patent has therefore been cancelled ex officio by the International Bureau and the designation EP has been corrected to include SI Slovenia in the list of States covered by that designation.

A copy of this communication has been sent to the receiving Office.
